LURN is a Public Service and Referral Program that . . .

- Offers Seniors statewide free information on Medicare, Medicare Supplement, Home Health Care and Long Term Care Insurance, and . . .
- Refers Medicare recipients with more specific questions to specially selected LURN advisors, qualified to help you make informed decisions.

Medicare enrollees need to make prompt decisions about choosing Supplementary Health Insurance, a difficult confusing task. They need to know . . .

- What benefits Medicare provides.
- What benefits Medicare does not provide.
- How much additional health insurance they may need.

LURN provides you with free general information to help you answer these questions . . .

Upon your further interest, we may refer you to selected LURN members who have met strict eligibility requirements. They are well qualified to address your specific concerns such as . . .

- Is my present coverage enough?
- Is my present coverage too much?
- Should I change or replace my present coverage?
- What is the most suitable and affordable coverage for me?
- If you choose the LURN referral service, we may ask your opinion on the service you received.
